THINGS TO DO:

As a Wastewater system operator, we should have the following things on our mind and in action now:

- 1. MWPP Reports (Collection and/or Treatment)**
 - Due May 31st
- 2. DMR-QA 31 Studies**
 - Reply to EPA Package Information
 - March 14, 2011 DMR-QA Study Opens
 - July 1, 2011 DMR-QA 31 Study Closes
 - Contact your lab ASAP
 - Get ready for the event NOW
- 3. Review you NPDES Permit.**
- 4. Prepare your list of PM projects for the low demand period.**
- 5. Training Schedules** for all of your staff. Keeping CEH's current?
 - April 12, 2011 - AWPCA Security Meeting; Cullman, AL

66th Annual Short Course School

Need continuing education hours? Need training on current regulations, new equipment or just a refresher course, join operators from around the state in late July for the 66th Annual Short Course School. This year's school will be held at Daphne's Civic Center, please visit www.AWPCA.net for more details.
