

AWPCA 2011 SECURITY MEETING

April 12, 2011 – Cullman Alabama

Free Training

Have you been wondering what is going on with security in the water sector? Don't know where to turn to find the information? Then AWPCA's 2011 Security Meeting is the place for you.

Do you know what kind of threats are out there? Vandals, ex-employees, Farmer Brown or others. Come and learn about the different types of threats that exist, how your water system can be ready to address them and who can provide assistance.
