

## **HELP WANTED**

### **WASTEWATER TREATMENT PLANT OPERATOR**

#### WASTEWATER TREATMENT PLANT OPERATOR

The City of Northport Civil Service Board is accepting resumes for an experienced WasteWater Treatment Plant Operator in the Public Works Department. Minimum qualifications are: at least a Grade II Wastewater certification as required by ADEM; an educational level equivalent to high school graduation; knowledge of the functions, mechanics, and repairs of pumps, electric motors and other mechanical equipment; possess a CDL or be able to attain one within a 12 month period; and have a valid driver's license and an acceptable driving record. Will work rotating weekends. Successful candidates will be required to interview, pass reference checks and a drug screen and upon hiring expect the following benefits:

1. Blue Cross/Blue Shield Health, Dental and Vision Plans
2. Paid Life Insurance
3. State of Alabama Retirement Plan
4. Paid Sick Leave, Vacation and 10 paid Holidays

The starting pay range is \$16.63 to \$17.30 per hour, depending on experience and certification level.

THE CITY OF NORTHPORT IS AN EQUAL EMPLOYMENT OPPORTUNITY EMPLOYER.
