

Wedowee Utilities Board

Wedowee, Alabama

Open until filled

We are seeking a **Part Time** Grade 4 Water Plant Operator.

Successful candidate will cover sick, vacation, and regular shifts with a guarantee of 54 hours every two weeks.

This would be a very good position for a retiree or someone wishing to pick a few extra hours yet still wanting to remain RSA compliant for maximum annual income.

Duties consist of plant operations, sampling, and analysis of water samples.

Other duties as assigned.

Please send an e-mail of interest or call for more information to:

Ron Deter
