

EPA's Office of Compliance invites you to a free webinar

# Technical Assistance Webinar Series

A monthly webinar series focused on improving CWA-NPDES permit compliance at Small Wastewater Treatment Systems

## Wipes in Collections Systems

Thursday, November 2, 2023, 1:00 - 2:30pm (EDT)

[Register Here](#)

A certificate of attendance will be offered for this webinar

A discussion detailing the impacts that single use wipes have on the collection system. The presentation will include case studies and why existing standards have led to nationwide challenges. Presenters will also discuss suggestions for public outreach to prevent wipes from entering the collection system.

**Who should attend?**  
This series it is geared toward plant owners and operators of smaller systems with flow of less than 1 million gallons per day. Others include: WWTP owners and operators, design engineers, municipal leaders, NPDES technical assistance providers, permit writers, compliance staff from state, local, tribal, and federal governments.

### About the Presenters:
